

PARENT/SCHOOL AGREEMENT

Students must be accepted to BHCS through a formal admissions process. Both parental involvement and student cooperation are essential for BHCS to fulfill its mission and accomplish an excellent Christian Education. Therefore, as a condition for acceptance to this school, the parents and student (grade 5 and up) applying for admission must agree to the following requirements:

1. Parents must provide BHCS with a completed application for each child applying for admission, including academic records, health forms, and other information as specified in the admissions packet. Students will not be admitted without complete records. _____ *please initial*
2. Parents must sign and date the BHCS Statement of Faith Form; the Waiver of Liability Form; and the BHCS Transportation Conduct and Liability Form, if needed. _____ *please initial*
3. If for any reason my child does not meet the academic requirements or cooperate with the disciplinary standards in accordance with the Parent Student Handbook, I will cooperate with the school administration as it handles these situations and will avoid discussion with those not involved, so as to avert a spirit of discussion and division at either my child's or the school's expense. Big Heart Christian School reserves the right to dismiss, suspend, or otherwise discipline any student who does not adhere to the standards in the Parent Student Handbook as determined by the school administration. _____ *please initial*
4. Parents must be committed to the university-model learning experience and Christian environment of BHCS. Each student must be willing to adhere to the BHCS's dress code and all other student-related policies. _____ *please initial*
5. We, as parents, agree that upon official enrollment of our child(ren), we will honor our financial obligations to Big Heart Christian School. _____ *please initial*
6. We, as parents, understand that grade placement is determined by school administration based upon admission test results and school transcripts. _____ *please initial*
7. We, as parents, agree to support the classroom teachers, pray for them, and encourage them. We also recognize that when issues of concern arise then as Christians we make every effort possible to work together with the teacher and administration to both address and resolve the matter. _____ *please initial*
